recycle coach

For residents looking to reduce their household waste and become better recyclers, look no further than the Recycle Coach app – now available in Paramus.

Residents can access Recycle Coach from their desktop computers, mobile devices, or through digital assistants like Amazon Alexa and Google Home. By leveraging the power of voice technology, the platform makes it easy for people to get local disposal information for thousands of household items when they need it. And the best part: it's absolutely free.

With Recycle Coach, residents can:

- Stay organized with custom curbside collection and event calendars
- Receive collection reminders and real-time updates on service disruptions
- Become recycling experts with a comprehensive "What Goes Where?" search tool, including local disposal information and collection requirements for common and uncommon items
- Take the "What Type of Recycler Are You?" quiz for useful recycling tips and tricks
- Use the problem-reporting tool, equipped with geolocation, to notify municipal customer services about issues like missed collections

Ultimately, the service takes the guesswork out of recycling, empowering residents to make smarter disposal decisions and take an active approach to reducing household waste. For Paramus, this will

translate into higher recycling rates and less contamination in our recycling stream – a win-win for everyone.

Become a better recycler today by downloading the Recycle Coach app for free at the [iTunes Store](#) and [Google Play](#) or visit our website at <https://app.my-waste.mobi/US/NJ/Paramus>

Available on the **App Store** **GET IT ON Google Play**

Dual stream recycling and single stream recycling are both recyclable materials collection systems, but with one important difference. In dual stream programs, bottles, cans and other containers are collected separately in one recycling bucket, while paper grades are collected separately in another recycling bucket. In single stream programs, bottles, cans, and other containers, as well as paper grades are all collected together in one recycling bucket. Paramus is a dual stream recycling collection.</p>

In fact, in the period between Thanksgiving and New Year's, American households generate 25% more waste.	

General Information to all Paramus Residents:

General Notice:

Residents are **not** permitted to place garbage, trash or grass waste at the curb before **6:00 PM** on the day prior to scheduled collection, nor later than **5:00 AM** on the scheduled collection day.

Snowfall Notice:

In the event of a snowfall of **3 inches** or more during any weekday, the scheduled garbage and recycling pick up for that day **may** be suspended. Garbage would then be picked up on your next regular scheduled day. Recycling pick up would be **cancelled** and **NOT** rescheduled.

Leaf Pick Up Notice:

- During the period of **October 5th** to **November 29th** grass and leaves may be put on the curb-line, loose for pick up by our leaf machines.
- **Do NOT mix branches, sticks or twigs in with leaves!**
- **NO resident or landscaper may place leaves in the street after November 29th.**
- On November 30th, please follow rules for grass pickup.
- FYI: Residents may continue to put leaves and grass in garbage pails or biodegradable paper bags, which will be collected every Wednesday.

General Information to all Paramus Residents (continued):

Building Material Notice:

All materials from construction, renovation or demolition, including but not limited to:

Sheetrock	Shingles	Cabinets	Formica	Wood	Pallets	Etc.
------------------	-----------------	-----------------	----------------	-------------	----------------	-------------

are **NOT** considered garbage, trash or refuse and **WILL NOT** be collected by the Borough of Paramus. Any type of wood (including pallets and fencing) will **NOT** be picked up. The disposal and cost of dumping these materials are the sole responsibility of the contractor or the resident. Contractors hired by residents are responsible for removing their debris.

**Facilities listed below are approved by the NJ DEP for accepting solid waste and construction materials. Residents are advised to contact the facility to confirm that they will accept the waste, what costs are involved and what rules or regulations need to be followed when dumping at this facility. The resident would be responsible for all costs.

DPW Complex Notice:

Garbage or debris is **NOT** to be dumped anywhere in the DPW Complex. Anyone caught doing so will be subject to illegal dumping fines of **\$1,000.00!**

What is What?

Recycling Commingled Container: May contain the following materials: aluminum, tin and metal cans, glass bottles and jars, plastic beverage containers, soda, laundry detergent and bleach bottles.

NOTE: All of the above **MUST** be emptied and washed to remove beverage or food waste.

NO Styrofoam of any kind in any form. Styrofoam can be brought to the Recycling Center.

Containers found with unacceptable material will **NOT** be emptied.

PLASTIC BAGS ARE NOT TO BE PUT INTO RECYCLING CONTAINERS.

Brush and Branches: These items will be picked up the same day as your Recycling Container (OTTO).

Brush: Trimmings from trees and shrubs (small twigs).

Branches: Should be cut into four (4) foot lengths and no larger than eight (8) inches in diameter.

NOTE: Both Brush and Branches may be tied into manageable bundles and/or put into open containers or brown bio-degradable paper bags.

Leaves and Grass Clippings: Leaves and grass clippings that are contained in either bio-degradable bags or open containers weighing no more than 40 lbs. are picked up at the curb on Wednesdays throughout the year except for holidays.

NOTE: There cannot be any dirt, rocks, twigs, and/or branches mixed with leaves and grass clippings.

Christmas Trees: Will be picked up on Wednesdays in January only as well as your scheduled brush collection day.

Newspapers: Must be tied securely or placed in paper bags only. **DO NOT PLACE INTO PLASTIC BAGS OR PAILS.** Newspapers do not go into the recycling (OTTO) container. Magazines, soft cover books and junk mail may be put out with newspapers. Books with barcodes & covers can be brought to the Recycling Center Book Bin.

What is What? (continued)

Cardboard: Must be collapsed and tied and placed at the curb the same day as **newspapers**. Cardboard and newspapers must be secured to keep them from being blown away by strong winds.

White Goods: Boilers, washers, dryers, hot water heaters, stoves, refrigerators and all aluminum and metal will be picked up by appointment only at no charge.

NOTE: Refrigerators and freezers must have doors removed.

TO MAKE AN APPOINTMENT: Call 201-265-2100 ext. #3100 PRIOR to putting items out at the curb.

Computers, Electronics and TVs: Must either be brought to the recycling center or may be scheduled for collection by **appointment only**.

NOTE: Trash containers will **NOT** be emptied if they contain any recyclable items.

TO MAKE AN APPOINTMENT: Call 201-265-2100 ext. #3100 PRIOR to putting items out at the curb.

Firewood Information: Free firewood is available to residents of Paramus (proof of residency required) at the recycling center. Firewood can be obtained on a first come first serve basis and as supply is available. There is a 40 piece limit.

To Report a Pot Hole: Log on to the Borough of Paramus website www.paramusborough.org choose "Report a Concern" on the right side, then under Public Works click pothole. Click "Submit New Problem", fill in all requested information, click "submit" button.

*A Username and password will have to be created.

NOTE: Potholes reported on county roads or state highways will be forwarded to the proper agency responsible for maintenance. Paramus has no control over roadways not maintained by the Borough.
